

Kids' Zone

What a great summer we had in Kid's Zone! The children learned about building Christian character while enjoying some extra time outdoors. They learned about the things they can do to honor God like reading the Bible, praying, inviting friends to church and loving God. These lessons were taught by various Crossroads members and friends. The Kids' Zone staff would like to thank our special guest teachers during the summer months.

In our new Kids' Zone curriculum, which kicks off September 11th, we will begin studying the character of God through the A B C's of God. Each lesson centers on a characteristic of God. These lessons will cover the attributes of God from A (Almighty) to Z (Zealous). The children will be introduced to the Blessing Box and of course will be enjoying music, drama, Bible memorization and fellowship.

Something new in Kids' Zone this session is the teaching structure. We will have three main teachers, Tricia Carrier, Julie Lopez and Vicky Monfreda, on a teaching rotation. Our teachers will be supported by a team of adult and youth volunteers. We welcome parents and others to visit Kids' Zone anytime.

We would like to recognize our kids who moment to congratulate our graduates. kids, but will miss them very much.

are graduating from Kids' Zone. Please take a We are very excited for our graduating Kids' Zone
